DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

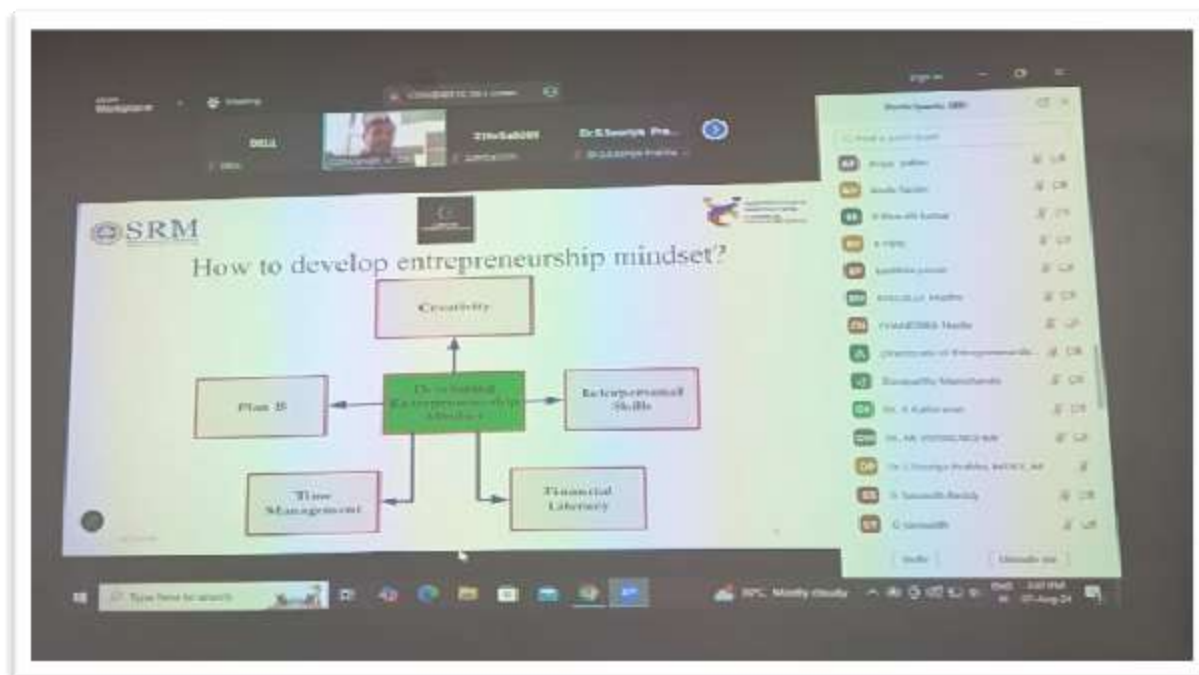

Academic Year (2024 -2025)

Report-On

“EARLY STAGE ENTREPRENEURSHIP”

(07-08-2024)

The Department of EEE conducted a one-day online webinar program on “**Early Stage Entrepreneurship**” organized for students of IV Year, III Year, and II Year EEE on 07-08-2024. The webinar program was organized by IIC-MTIEAT in association with the SRM Institute of Science and Technology.

This program was organized by Dr. S. Sooriya Prabha, IIC – President with the co-ordination of Dr. K Kathiravan, Associate Professor, EEE Department. From our side we created a google form for registration purpose. Totally 89 students registered and participated in the webinar. We provided ICT facility for conducting the program at Tech Lab, Visvesvaraya Block, MTIET. Our honorable speaker of the webinar was

Mr. K. Ramesh, IIC Convener, SRM DEI. He clearly explained the concepts as well as created the awareness on Early Stage Entrepreneurship to the Students of EEE department through the online mode.

Finally, online certificates were provided to the students who registered or attended the webinar. On the whole, the webinar was wonderful, and it gave an opportunity for the students to get updated with the creative ideas to develop a product as well as how to develop an entrepreneurial mind-set for the students.
