Department of Artificial Intelligence & Data Science

REPORT ON FLASH MOB (19-10-2022)

Mother Theresa Institute of Engineering & Technology, Palamaner has organized “FLASH MOB” during 19-10-2022, the faculty and students of Artificial Intelligence & Data Science department have took part with an aim to enhance & enrich the extra-curricular skills of students and also to incorporate the own individual talent.

This Flash mob has been incorporated with dances and sizzling performances of students. This event has been as a successful one with coordination of students, faculty, coordinators and the fullest support of the management.

Mr. K Lokesh, Associate Professor, HOD of AI&DS acted as main person in organizing this event. Mr. Shivakumar E was the Co-Ordinator for the flash mob. The programme was done successfully with the cooperation of all the other faculty of the department, teaching, non-teaching and administrative staff members of the Institute.

We proudly say that the Flash mob programme has served as one of the major and novel attempt in making the students to bring out their skills. This Flash mob event served as a crowd puller that drew all the attention towards the enthralled performances of students.

Not only just the dances in flash mob, also some interesting and useful act have been performed by students through some dance which made all the audiences speechless. They even spread awareness among all the audience about the importance of parents, how the one should respect their parents, and make them happier.

Many of the faculties appreciated the act performed at the end. This stole the entire flash mob and stood as the highlight of the day.
