ABOUT THE COLLEGE:

Mother Theresa Institute of Engineering & Technology was established in the year 2010 with an objective to impart quality education to students in the fields of Science and Technology. The College is affiliated to Jawaharlal Nehru Technological University ananthapuram(JNTUA) Ananthapur and approved by All India Council for Technical Education (New Delhi). MTIET is located on Madanapalli highway, Near Melumoi 5kms from Palamaner, in serene and lush green surroundings. The institute was founded to educate and empower the youth who play a decisive role in shaping the destiny of the nation. The college has a rich tradition of pursuing Academic Excellence and overall personal growth. This is achieved by providing excellent infrastructure, along with the presence of dedicated and highly qualified, faculty members, who monitor students individually with a single-minded aim of giving students a perfect launchpad to build their future and ensuring an all-round development along with professionalism.

Our vision is to apply the knowledge to expand the personal growth and to create the miscellany of ideas leading to the development of the society. We concentrate on social development, fostering economic competitiveness and to improve the quality of life by merging the professional skills, intellectual capacity and conceptual development with the educational program.

Our mission is to provide such path to the students that will lead them to the invincible heights of knowledge with exemplary professional qualities. Our college program reflects the philosophy that real education is that which converts the students into

DEPARTMENT OF CIVIL ENGINEERING

Report-On

“ PLAXIS 3D SOFTWARE”

(Date: 14-09-2020 to 19-09-2020)

As the Department of CIVIL conducting the one week National Level workshop on advanced analysis of PLAXIS 3D Software organized for students of III Year CIVIL on 14th SEP to 19th SEP 2020. The technical team has given mix of theory and practical knowledge on PLAXIS 3D Software.

This program was organized by B.Venkatesh, Head of the department with the co-ordination of Mrs. R.Tharun, Assistant Professor, And CIVIL Department.

The Workshop was organized for one week effective from 14-09-2020 to 19-09-2020 with a total duration of 30 hours. third year CIVIL were benefitted from this workshop program. The program was held in CIVIL Seminar hall for inauguration, theory and technical session practical were conducted in Autocad lab.

The trainers given excellent practice to design the advanced analysis of PLAXIS 3D software. During the Workshop first day – the trainer given brief introduction about plaxis 2d software, its principal, working Methods and installation of software. At the Second day the students involved to design steps. At the Third day the students involved to learn different soils. At the Fourth day the students involved to learn post process analysis. At the Fifth day the students involved to learn various soil and geo textiles. At the Sixth day the students involved to practice plaxis models. The trainer guided the students to design and developed the copters in their own and finally the students successfully designed the different plaxis models. The students are enjoyed a lot for this real time experience.

The workshop successfully by enhancing the confidence levels of each and every student for future attempts of improving career prospects.

The total program is successfully completed with the cooperation of each and every faculty member of the department and student participants.
