DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Report-On

“ Introduction to Win-Fig”

(Date: 09-11-2020 to 13-11-2020)

As the Department of EEE conducting A Five-day workshop on Introduction to Win-Fig organized for students of III Year EEE on 09th Nov to 13th Nov 2022 to explore the working of the Copter in association with Sri Vignan Technologies, Tirupathi. The technical team has given mix of theory and practical knowledge on Quad Copter design.

This program was organized by Mr. K Krishna Reddy, Head of the department with the co-ordination of Mr N V Kishore, Associate Professor, EEE Department.

The Workshop was organized for five days effective from 09-11-2020 to 13-11-2020 with a total duration of 12 hours. Forty-Nine students from third year EEE were benefitted from this workshop program. The program was held in EEE Seminar hall for inauguration, theory and technical session practical were conducted in Computer lab.

The trainers given excellent practice to design the Win-Fig and its development. During the Workshop first day – the trainer had given brief introduction about Win-Fig, its principal, working Methods and designing steps. At the Second day the students involved to design the circuits. The trainer guided the students to design and develop the circuits in their own and finally the students successfully designed the circuits. The students have enjoyed a lot for this real time experience.

The Technical team of Sri Vignan Technologies, Tirupathi concluded the workshop successfully by enhancing the confidence levels of each and every student for future attempts of improving career prospects.

The total program is successfully completed with the cooperation of each and every faculty member of the department and student participants.
