Respected Sir,

Sub: Requisition to act as resource Person - A One week national level workshop on "Applications of Basic Sciences in Engineering and Technology"- reg.

We introduce ourselves as Mother Theresa Institute of Engineering and Technology (MTIET), Palamaner, A.P., started functioning from the year 2010-11 and known for its excellent record in academics and co-curricular activities. The College offers under graduate level in five areas of engineering (Civil, Mechanical, Electrical & Electronics, Electronics & Communication and Computer Science). The role of honor board is filled with Prathibha award winners and university rankers. Our students added technical colors to their wings and occupied in higher positions in renowned organizations.

In the above background, the Dept of S&H is willing to organize A one week workshop on "Applications of Basic Sciences in Engineering and Technology" for I B.Tech students to enhance the knowledge on applications of basic sciences in Engineering. In this connection, the undersigned requesting you to facilitate the same your presence as resource person from 27.09.2016 to 31.09.2016. We appreciate your kind co-operation for grand success of the above programme with a line of acceptance.

Mother Theresa Institute of Engineering & Technology was established in the year 2010 with an objective to impart quality education to students in the fields of Science and Technology. The College is affiliated to Jawaharlal Nehru Technological University (JNTUA) Ananthapur and approved by All India Council for Technical Education, New Delhi. MTIET is located on Madanapalle highway, near Melumoi 5km from Palamaner, in serene and lush green surroundings. The institute was founded to educate and empower the youth who play a decisive role in shaping the destiny of the nation. The college has a rich tradition of pursuing academic excellence and overall personality development of the student. This is accomplished by providing latest infrastructure and highly qualified faculty, who lead them from the front. They monitor students individually with a single minded devotion to provide a perfect launch pad for their career ensuring professionalism.

Location:**Department of Science & Humanities**

The department of Science & Humanities was established at the inception of the college. The focal point of the department is to lay a strong foundation for the budding engineers in basic sciences apart from fine tuning them in communication skills having in mind the latest technological developments. Well-equipped laboratories and a language laboratory complement the academic activities. Daily tests and ward system are in vogue to train the students for the examinations.

About the workshop

The prime objective of the workshop is to ignite the young minds to develop a scientific temper and explore the latest trends and advances of application of basic sciences in engineering and technology. For any student, to have a promising career, sufficient motivation should be instilled at the take off stage itself. Realizing the importance of energy sources in inculcating innovative thoughts among I year B.Tech students and to create a platform to share ideas and experiences, the present workshop has been organized.

Registration fee: Rs.290/-

Eligibility: Any I B.Tech / B.E student

DEPARTMENT OF SCIENCE AND HUMANITIES

A ONE WEEK WORKSHOP ON

APPLICATIONS OF BASIC SCIENCES IN ENGINEERING AND TECHNOLOGY (27.09.2016 to 31.09.2016)

REPORT OF WORKSHOP

The Department of S and H has been conducted a one week Workshop on “Applications of Basic Sciences in Engineering and Technology” and it was meant for the I B.Tech students from 27th Sep to 31st 2016 to enhance the knowledge on Applications of basic sciences in students.

This program was organized by Dr. K.J. Philip (HOD) Professor of Mathematics with the co-ordination of all the staff members of Science and Humanities Department and Mr P Murali & Mrs P Lokeshwari acts as programme Co-Ordinator.

The inaugural session talks were inspired by the Principal, Dr. M. Lakshmikanth Reddy and the Academic Director, Dr. R.Rajendra Reddy, HoD, Co-Ordinator along with the Resource Person.

The Workshop took place from 27/09/2016 to 31/09/2016 with the total duration of 30 hours. Nearly 60 to 70 students from the I B.Tech students attended and were benefitted from this workshop. The program was held in the Seminar hall, it was a theory and technical session as well.

Dr. P.V.Arunachalam Professor of Dravidian University, Kuppam was invited as the resource person of this workshop and he graced the occasion.

Dr. P.V.Arunachalam was very interactive with the students and exposed them to different technologies. All the students made out the applications of mathematics in engineering and in day to day life. The students were enlightened a lot of this real time experience. He personally felt very happy for the response of the students and also college and satisfied with the way they conducted the workshop.

Dr.K.J. Philip, the HOD of H&S Department thanked the Professor from the Dravidian University and every student for their active participation and interest in participating in the workshop. He also mentioned the activities conducted in the college by the department. He promised that the department will continue its assistance in conducting these sorts of workshops and seminars in future.

The total program was successfully completed with the cooperation of each and every faculty member of the department and student participants.
