MTIET

Mother Theresa Institute of Engineering & Technology was established in the year 2010 and certified ISO 9001 :2015 with an objective to impart quality education to students in the fields of Science and Technology. The College is affiliated to Jawaharlal Nehru Technological University (JNTUA) Ananthapur and approved by All India Council for Technical Education, New Delhi. MTIET is located on Madanapalli highway, near Melumoi 5km from Palamaner, in a serene and lush green surroundings. The institute was founded to educate and empower the youth who play a decisive role in shaping the destiny of the nation. The college has a rich tradition of pursuing academic excellence and overall personality development of the student. This is accomplished by providing latest infrastructure and highly qualified faculty, who lead them from the front. They monitor students individually with a single minded devotion to provide a perfect launch pad for their career ensuring professionalism.

LOCATION:

Department of Science & Humanities

The department of Science & Humanities was established at the inception of the college, the focal point of the department is to lay a strong foundation for the budding engineers in basic sciences apart from fine tuning them in communication skills having in mind the latest Technological developments. Well- equipped Laboratories and a language laboratory complement the academic activities. Daily tests and ward system are in vogue to train the students for examinations.

About the Workshop

The prime objective of the Seminar is to know Basic methodology and advanced practice to Enhance the safe output to human life and environment. The concept of green chemistry is to practice and increase awareness towards Human as well as environmental impact among I year B.Tech students and to create a platform to share their ideas and experiences, in the present Seminar which has been organized.

Registration fee: Rs.200/-

Eligibility: Any I B.Tech / B.E student
