

## Author's Profile

*Dr. Anilkumar P, Working as Professor in the department of computer science and engineering, Mother Theresa Institute of Engineering and Technology, Palamaner. He has total 15 years of teaching experience. He received his B.Tech and M. Tech degree in digital systems and computer electronics with distinction from JNTU Anantapur, Andhra Pradesh. He received Ph. D degree from Vellore institute of Technology, Vellore, Tamil Nadu. He has published 21 journals in Scopus and SCI indexed and published 2 patents. He received 4 Raman research awards consecutively from VIT Vellore. His area of research include deep learning, Machine learning, Artificial Intelligence and its applications, Remote sensing*

*E Satheesh Kumar, Pursuing Ph.D in Vellore Institute of technology, Vellore. He has total 15 years of teaching experience. He received his B.E degree in E.C.E from University of Madras and M. Tech degree in Sensor System Technology from Vellore Institute of Technology, Vellore. His area of research include deep learning, Machine learning, Artificial Intelligence and IoT.*

*Mr. A. Ravindra Kumar, Working as Associate Professor in the department of computer science and Engineering, Mother Theresa Institute of Engineering and Technology, Palamaner. He has total 16 years of teaching experience. He received his B.Tech degree from JNTU Anantapur, Andhra Pradesh. M.Tech degree from Dr M.G.R University, Chennai. He is pursuing Ph. D degree in JNTU Anantapur, Andhra Pradesh. He has published various journals in reputed journals. His area of research include Data Mining, Deep learning, Machine learning, Artificial Intelligence and its applications.*
