Lakshmikantha Reddy, addressed the students and emphasized the need of the campaign He said this campaign is a need of the time. Girls must be saved for the welfare of our society and nation. The students of our college have given a motivational speech to the villagers said even today girls and women are subjected to various hardships. They firmly said that existence of men is based on the existence of women. Girls and boys, men and women are the two sides of one coin. In today's world girls can handle the responsibility assigned to them. Women are working in every male-dominated field. As far as the skill and talent is concerned, women are no less than men.

The program was carried up to 1:30 PM where all the faculty and student coordinators participated actively.
