REPORT ON

“BLOOD DONATION CAMP”

Organized by NSS-MTIET on 15/09/2016

Our college, Mother Theresa Institute of Engineering and Technology, responded positively to the request of the doctors of the Government Hospital and conducted a blood donation camp on 15.09.2016 in our college campus. Students and faculty know the importance of donating blood. Nearly 103 students, both boys and girls, had participated in the programme voluntarily.

Doctors checked both the boys and girls if they were fit for donating blood. The camp was conducted from 9.00 a.m. to 4.30 p.m. 20 Medical staff from **GOVERNMENT HOSPITAL, PALAMANER** came for the camp. As it is said above, after testing the hemoglobin level and blood pressure, the students and staff were allowed to donate blood. **130 units** of blood were donated in the camp.

Required refreshments were provided to the blood donors to recoup their energy.
