1. About the Event

The 2025 Hackathon was an exhilarating internal department-based event that fostered innovation and creativity. Teams collaborated to solve real-world problems, showcasing their technical prowess and out-of-the-box thinking. The selection round highlighted impressive solution, pushing boundaries and driving progress.

The **Internal Hackathon for Smart India Hackathon (SIH) 2025** was successfully organized on the campus of *Mother Theresa Institute of Engineering and Technology (MTIET)* with great enthusiasm and participation from students across all engineering disciplines.

The primary objective of this Hackathon was to **identify and nurture innovative talent** within the institution, and to select the best-performing teams to represent MTIET at the **National-level Smart India Hackathon**
